President Abby Wertz called the July 15, 2014 workshop meeting to order at 7:30 PM with the pledge to the flag. Council Members present were Ron Becker, Rod Soliday and Bob Pierce. Also attending the meeting were Mayor Randy Gartner and Manager Lisa Heilman. There were no citizens or visitors.

**VISITORS & CITIZENS** - No comment

**SOLICITOR** - Although the solicitor was not present, he provided Council with a copy of the suggested legal verbiage revisions for their review.

**MANAGER** – Ms. Heilman advised Council that Mr. Marshall has spoken with Brian Rasiul, of PennDOT, regarding the 422 Betterment Project. Mr. Rasiul advised that PennDOT would only be letting the project in September, 2015 so we could expect there to be no actual work done in the borough before 2016. Council advised Ms. Heilman to send the curb repair letters to the residents on Penn Avenue with a completion date of July 31, 2016. This would allow the Borough to obtain a bid to have all those curbs repaired that were not done and the Borough could then file liens against those properties.

**OLD BUSINESS** – No report.

**NEW BUSINESS** – Council went over the revisions to the Police Charter Agreement provided by the solicitor. Manager is to contact the solicitors to seek clarification on several of the proposed revisions and to provide them with a copy of the revisions, being sought by Council, to be reviewed and included in the final revision.

On a motion by Mr. Pierce, seconded by Mr. Becker and unanimously carried, the meeting was adjourned at 8:05 PM.  
Attest:

Respectfully submitted,

Lisa Heilman  
Borough Manager
